Subject: 2008 Energy Fair

On behalf of PBG, we would like to thank you for your participation and cooperation in the Energy Fair held at our site on September 10th. The feedback from our Pepsi employees, as well as the GM employees in our building was extremely positive. They received a wealth of information on your products and services which will help in our efforts to go "green". We look forward to the possibility of doing this again next year.

Again, please extend our sincere thanks to those members and associates on your team that helped to make this a successful event.

Sincerely,

William W. Gruffi, P.E.
